What is the Mudroom?

Situated at the entrance of a house, a mudroom serves as a designated area where one can leave their muddy boots before stepping inside.

Mudroom happens every **Monday**, at 9:30am or 1pm and is the front door to Weld Membership. It is the first step to getting all that Weld offers.

WELD

What is Weld?

Weld offers pathways to resources including: clean and sober housing, life skills, mentorship, digital literacy, and employment services. Our purpose is to provide a starting point to encourage hope and growth toward positive change through healthy community and transparency.

Second Chance, Peer Led.

Our team consists of individuals with lived experience in recovery from legal impacts and/or substance use.

Why Choose Us?

- + More than 50% of Weld members have moved to permanent housing
- + We stand behind our labor team with peer support, training, transportation, and other resources for their long-term success

Paid Trainings

Offering classes to build life skills and connect members to resources to reintegrate into society.

Employment

Connecting people in transition to a path to dignified and long term employment.

Housing

Transitional housing program, establishing community and accountability amongst members.
